DEDICATION

Our Class Advisors, Mrs. Jensen and Mr. Brazeau, gave more time and effort to our class than we really had a right to expect. They helped us in countless ways, gave uncomplainingly of their time, and are primarily responsible for making the Class of 1982 so very successful. We are very grateful for their help during the past four years.

Lynn Burdick, our classmate, has been missing since the night of April 17th when she disappeared from the store in which she was working. Although everything humanly possible has been done to find Lynn, her disappearance is still a mystery. Wherever you may be, Lynn, our thoughts and prayers are with you.

IN APPRECIATION

Mrs. Mullen, the school nurse, retired in October of our Senior year. Although we often complained about the treatment that we received at the hands of Mrs. Mullen, we always knew that she had our best interests at heart. Now that she has her permanent "dismissal" slip, we wish her the very best in the years ahead.
